

Domaine Yohan Lardy

LE VIVIER

AOC Fleurie

In 2011, Yohan LARDY came back to his native village of Fleurie in Beaujolais after spending a few months in Chile working for an Estate during harvest and winemaking. Yohan, 29 year old, obtained his BTS Viti-Oeno in Mâcon-Davayé, and is very passionate by winemaking. In 2011, he decided to buy 2 hectares in Moulin à Vent, the lieu-dit "Les Michelons", one of the best terroir of the appellation, and in 2012 he acquired 1 ha in "Le Vivier" in the Cru Fleurie.
