

Château Du Cauze

AOC Saint-Emilion Grand Cru

The residence was built on the ruins of a fortified castle destroyed during the Hundred Years' War. Different owners succeeded one another until 1986, when the Laporte family, originally from the neighboring appellation, Montagne Saint-Emilion, bought the entire property from a Dutch group. Bruno Laporte, second generation is now running the show. This estate set east of the town of Saint-Emilion and the vines grow in a soil primarily based on gravel, clay, limestone and marl over an area of 20 ha. Farming is sustainable with organic products; hand harvested grapes and classic vinification produces a very well-structured wine.

COUNTRY

France

VARIETAL

90% Merlot

10% Cabernet Sauvignon

SOIL TYPE

Clay-limestone, gravel and marl subsoil

VINEYARD

Situated 2 km from Saint-Emilion

Vines Merlot- 35 years

Varied exposure

HARVEST

Hand harvested & sorted

VINIFICATION

Native Yeast Fermentation

Aged 12 months in 100% New French Oak

TASTING NOTES

Beautiful dark red, aromas of blueberries, black currants, vanilla. Rich in the mouth and soft. Very nice comedy - long and elegant finish.
