

## Domaine René Leclerc

### CLOS PRIEUR

#### AOC Gevrey Chambertin

A very prestigious name in Gevrey Chambertin! Domaine René Leclerc is a family farm of 24 acres since 1962 succeeding René Bernollin. Their philosophy is to make wines with the same passion for different terroirs that are not technical. René and his son, François emphasize the fruit component by pressing the grape (old 1952 press) for only 3 hours to avoid bitter tannins and utilize used barrels only.

Too much oak, Rene says, dries out a wine and makes it less pleasurable. For the Leclerc family, this is art, not simply a scientific recipe. These are traditional wines of uncompromising quality. Today, they are one of the best known and most highly respected craftsmen in Burgundy.
