

Domaine Comte Senard

CORTON GRAND CRU BLANC

AOC Corton

Domaine Comte Senard had an auspicious start in 1857 when Jules Senard, the great grandfather of current owner Philippe Senard, created the Corton- Clos des Meix monopole. Since that time, the Domaine has continued its acquisition of property in prestigious appellations, with current holdings of 22 acres of land. Passed down for 5 generations, since 2005 it has been under the management of Lorraine Senard. The Domaine produces wines that are seductive representations of the power of Corton, built to age with finesse and grace.
