

Sylvain Bzikot
PINOT NOIR
AOC Bourgogne

An amazing story not typical of Burgundy! The Bzikot family are Polish emigrants whom arrived in Puligny just before World War II with nothing but their clothes on. From those very humble beginnings working in various domaines of Burgundy, this family has managed to acquire an impressive domaine of 4ha of some of the best vineyards in the village of Puligny-Montrachet. With minimal intervention in the vineyards and cellar, Sylvain Bzikot produces wines that are at one ripe and rich, yet elegant and complex. Affable and fun-loving, he is one of the underground wine making stars of the region.
