**LA CROIX - GROLLEAU**  
IGP Vin de Pays de Retz

Domaine de la Coche is located in the heart of the Pays de Retz, South-West of Nantes and 20 km from the Atlantic Ocean (Pornic). The 35-hectares estate is owned and managed by two cousins, Laurent and Emmanuel Guitteny, who combine family tradition, favoir-faire and modern techniques. With an oceanic climate, benefiting from the oceanic softness and varied terroirs, the grapes are naturally ripe and healthy. They have begun a conversion to organic farming in order to respect the environment and use natural products and favor methods like grassing, tillage and manual work since 2016.
