

Leduc Frouin
LA SEIGNEURIE ROUGE
AOC Anjou

Domaine LEDUC-FROUIN was founded in 1873 and is now managed by brother & sister team Antoine & Nathalie Leduc, 4th generation Winemakers. Destined to work in his 30 hectares family estate and he returned there in 1993 after doing his Oenology studies in Bourgogne and Bordeaux.

Combining tradition and modernity, every effort is made to produce typical, local and subtle wines. The diversity of the soils (falun, shale, clay) allows him to perform single vineyard winemaking.
