

Vignoble Edmond Latour

PLAN DE DIEU

AOC Côte du Rhône Villages

Domaine de l’Espigouette is now run by Bernard Latour, his wife and two sons, Julian and Emilien. Vinoble Edmond Latour, named after the grandfather of Julian & Emilien. They carefully work the vineyard according to the climatic characteristics of vintage and different terroirs. The diversity of the soil allows for complexity to the different wines of this area, the hills provide rich, bold wines, while sandy, clay soils provide elegance, finesse and depth.

The Plan De Dieu is a controlled designation of origin, part of the Côtes du Rhône Villages with geographical name. This appellation does not bear the name of a commune, but of a locality. It received its name from the nuns of Prébayon when they left the Dentelles de Montmirail massif to settle here. It was for them the best land for vines, the plain of God.
