

Ronco delle Betulle

PINOT GRIGIO

DOGC Colli'Orientali

Located in the town of Rosazzo near Manzano in Friuli Venezia Giulia. Here in 1967 the Ronco delle Betulle company was founded thanks to the vision of Giovanbattista Adami, Simone's grandfather, who bought 7 hectares of land in this location particularly devoted to viticulture. Jewel of the crown of the Colli Orientali del Friuli area, Ronco delle Betulle winery lies on about 17 hectares today. Every year Ronco delle Betulle winery enriches its experience through the generations of the Adamis, who managed to preserve the old values and traditions and, at the same time, keep pace with evolution and modern technologies.

TASTING NOTES

Delicately coppery in colour due to short maceration. The aroma is elegant, with pleasant notes of yellow flowers that leave room for hints of plum to close with light puffs of dried fruit. Fresh and rich on the palate with a marked sapidity and an excellent correspondence between aromas and flavour. Persistent.
