

Domaine Edmond Latour

AOC Côtes du Rhône

Domaine Edmond Latour is now run by Bernard Latour, his wife and two sons, Julian and Emilien. They carefully work the vineyard according to the climatic characteristics of vintage and different terroirs. The diversity of the soil allows for complexity to the different wines of this area, the hills provide rich, bold wines, while sandy, clay soils provide elegance, finesse and depth. The vines have an average age of 45 years old. The family works in the vineyards and select the grapes for maximum ripeness and concentration when harvested mechanically then carefully sorted before entering the winery.
