

Domaine d'Homs

PETIT PAGE

AOP Cahors

Founded in 1993 by Daniel Cauzit and Roger Thiéry, Domaine d'Homs is today in the hands of the new generation. Charlène and Sébastien whom work every day to perpetuate the history of this young estate and make it evolve according to their values. Anxious to preserve this extraordinary environment in which they grew up, and for one day to pass it on, they continue the work undertaken for several years now towards an agriculture in symbiosis with nature. The estate has completed its conversion to Organic Farming in 2022.
