

## Domaine Remoriquet

### RUE DE CHAUX

### Nuits-Saint-Georges Premier Cru

In Burgundy, winemaking is often a family affair: you become a wine-maker following in the footsteps of your father, your grandfather, and sometimes even further back! This is the case at Domaine Remoriquet, where respect for the land, winemaking traditions, and a love of the craft have been passed down for five generations.

Louis Remoriquet was the first to settle in Nuits-Saint-Georges in 1890 with his wife Hélène Lacour, the first lady winemaker to be inducted into the Confrérie des Chevaliers du Tastevin in 1948.

Patricia Guenot, has been working for over thirty years to precisely define the complexity of each terroir in her wines. Concerned about environmental issues, the estate is certified HVE (High Environmental Value) and Terra Vitis.
